Report July 2021

The current figures are:

Category	Current	Other	Lapsed
Senior	127	2	0
Junior	26	0	0
Total	153	2	0

The figures are up to 155 from 149 at the last report in March. We are still a little way short of the 163 members we had at the end of last year but perhaps not too bad in the circumstances.

Report July 2021

- Current balances (at 22nd July)
 - Current Account £3,607.27 (Down by 1,000 since last report)
 - Deposit Account £11,518.57

Summary of larger items since last meeting (rounded figures):

- Income
 - Income from Fabian4
 - League (Cheltenham) £380
 - Mapruns £500
- Expenditure
 - BOF/SWOA levies £172
 - Waterproof paper £535
 - Mapping (Nick Nourse) £868
 - New clock £315
- Income from Fabian4 lags a month behind.
 - Expected income at end of July (from entries made in June)
 - League £1,600
 - Mapruns £140
- The refunds from the postponed Cheltenham Racecourse event cost the club £52. The Jockey Club are still holding the £2,160 fee for the event.

I'm a little concerned that the club's wealth has steadily fallen under my stewardship and the bank account is £3k lighter than when I took it over! The Jockey Club can take the blame for £2k of that, but that still leaves £1k. I'm hoping that we have just had a number of relatively uncommon expensive items – e.g. the mapping costs, a new clock, a big order of waterproof paper and the expensive Huntley event, but we may need to review our entry fees again at the AGM.

- Organisation for BNOC2021:

 2. Agreed venue cost for the Golf Club (£150), and pre-order food options

Report: July

The Cotswold Way Relay took place on 3rd July. Unfortunately I wasn't able to offer support and encouragement along the way this year as I was on holiday. The team came 19th in the Open Category. Richard Cronin was a creditable 8th on leg 10.

There was no interest shown in the South West Relay Events or the British Sprint Championship Relays.
