Thank you all for coming to NGOC's first SI minileague. We also used the event to try out (successfully, despite the damp) some printing on demand, to reduce the number of wasted maps

On such a fast area there were some very quick times, but I hope the contrast between the open common and the woods on the longer courses kept you thinking some of the time.

My thanks to on-the-day helpers Neil and Pat Cameron who kept everything running smoothly at Registration and Start, and to John Fallows for SI instruction and for generating a spreadsheet for me to take home as the basis for the Results - beats checking wet cards and calculating times manually any day!

Next event: Sat 4 November, Minileague 2, Standish SO 838087 - full details at ngoc.org.uk
NB - Informal 14 October Robinswood Hill is CANCELLED

Any queries contact me on 01242 514988, or email treasurer@ngoc.org.uk
