Thank you to everybody to attended, especially Joe Taunton who scored the maximum of 38 points!

Due to some slight differences of opinion over timing I have discounted all lateness up to a maximum of 2 minutes, which in fact covers everybody.

In the spirit of an informal summer training event I have also allowed points if I am satisfied that you visited the correct location, even if you wrote down some wrong answers, which some of you did. It is worth noting that Joe not only got round all the controls in an undisputed 60 mins. but also had the correct answers to all the clues! Well done Joe.
